

**BREA OLINDA UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**BRAD WILKINSON**

**OCCUPATION:** Analyst

Having recently served on a local school board, and the years prior as a Legislative Aide to two of Orange County's State Legislators, I am uniquely qualified to serve you on our BOUSD.

I've faced the tough issues — like literacy, school modernization, and readiness for higher education. There's no substitute for hands-on success and leadership.

During my tenure on the school board, standardized test scores rose at every grade level in every subject — Reading, Math, Language, and Spelling.

As a parent, I'm passionate about ensuring that every student receives the highest quality education and I believe in taking positive action to make a difference.

Brea needs unified vision and effort — the Board, superintendent, principals, teachers, parents, students and community working together.

That's why we need proven leadership that will allow our superintendent and all of our outstanding teachers and students to excel.

Among my endorsements are those who have served Brea — Congressman Ed Royce, State Senator Dick Ackerman, County Supervisor Bill Campbell, several former mayors and school board members.

With your support, together we can ensure that our schools will advance the potential of our students and improve our community.

I'm committed to working for you and ask for your vote.
